Terms of uses and Citation Policy:

Data Dissemination from this web portal is governed by the DATA SHARING AND ACCESSIBILITY POLICY, Geological survey of India (GSI), Government of India, published in 2019.

GSI grants the user a limited, non-exclusive, non-transferable, single user license with the following terms and conditions.

- Registered User can download and install the product in his/her premises (including on an internal computer network). Data will remain the property of GSI. Copyrights of all GSI products rest exclusively with GSI.
- Reproduction of Analog data / Map is strictly prohibited. Any person resorting to unauthorized copying/reproduction etc. will be liable to criminal and civil prosecution under the existing laws.
- User can use the data product for his/her own internal needs and application.
- User can use the product to produce Value Added Products and/or derivative works for its own non-commercial use.
- User can print and distribute or post the derived data on an Internet site (visualization purpose only), but without any possibility of downloading the original product of GSI, in each case with an appropriate credit conspicuously displayed as per GSI citation policy.
- All the data users who are accessing/using the data and web service in all forms of scientific publication and/or for any other purposes including commercial purpose shall acknowledge Geological Survey of India, Govt. of India.
- GSI disowns responsibility for issues emerging due to use of data for any purposes including commercial and legal purposes.
- The source of the data and service will be cited as <Name of the Data>, Geological Survey of India, Government of India, Kolkata, India with date tag of downloading.
- Users are encouraged to provide their feedback on data and its uses through email to ocbis.helpdesk@gsi.gov.in.

Santanu Bhattacharjee
